

Sea To Sky Canadian Home Builders' Association Benefit Plan

In the competition for talent, employee group benefits are one of the most important factors in attracting and retaining employees.

From the owner-operator to our largest employers, we have the custom benefit solution for your every need.

Through the Sea To Sky CHBA Benefit Plan, powered by ICBA, you'll get the best value for your money, while not compromising on making sure you're taking good care of your workers and their families. Our team of benefits experts have been helping employers like you for more than three decades.

We are focused on ensuring our clients get the best plan design and pricing in the market, and that your employees have an exceptional customer experience.

Buying benefits through this partnership helps support Sea To Sky CHBA's advocacy work on behalf of your company.

About ICBA Benefits

Administers employee benefit plans for more than **160,000** people

One of the largest independent providers of **employee benefits** in Canada
